

THE RICH AF RITUAL

A simple ritual for calling in money, opportunity, and steady flow.

WHAT YOU'LL NEED

- Green or white candle
- Fire-safe dish
- Cinnamon
- Coin or dollar bill
- Paper + pen
- Essential oil rollerball or diluted oil
- Optional: citrine, pyrite, green aventurine, or a playlist that makes you feel expensive

OPTIONAL OILS

- ✦ Cinnamon — prosperity and movement
- ✦ Bergamot — confidence and opportunity
- ✦ Orange — joy and receiving
- ✦ Patchouli — grounding wealth
- ✦ Frankincense — focus and devotion

THE RITUAL

1. OPEN THE SPACE

Light the candle. Rub a pinch of cinnamon between your palms. Draw a sigil, dollar sign, or upward arrow on your wrist with oil and say:

*"I am ready to receive. I am ready to keep.
I am ready to grow."*

2. NAME IT

Write: 'I am calling in...' and list 1–3 money or opportunity goals. Fold the paper toward you three times.

3. CHARGE IT

Hold the coin or bill in both hands. Picture money arriving through real, believable doors. Say:

*"Money comes to me through expected and
unexpected doors. I notice the doors.
I walk through them. I receive without shrinking."*

4. SEAL IT

Place the coin or bill on the folded paper. Hold your hands safely above the flame and say:

*"I release the belief that struggle proves my worth."
Then say:
"I am rich in ideas, possibility, support, and courage."*

5. CLOSE IT

Blow out the candle. Keep the coin or bill in your wallet or workspace for 7 days. Keep the paper somewhere private. Then take one real-world action:

Send the email. Raise the price. Post the link. Ask for the sale.

Magic likes movement. Abundance meets action.
