THE RICH AF TEA

A ritual tea for abundance, confidence, and receiving more without immediately panicking about it.

★ WHAT YOU'LL NEED ★

- 1 cup hot water
- 1 black tea bag or rooibos tea bag
- 1 teaspoon honey or maple syrup
- 1 orange slice or a strip of orange peel
- A pinch of cinnamon
- Optional: a tiny pinch of ginger for momentum

★ THE RITUAL ★

Steep your tea for 4 to 5 minutes.

While it steeps, hold the mug in both hands and think of one thing you are ready to receive.

Be specific.

More clients. Better sales. A paid opportunity.

A bill handled without stress.

Stir clockwise three times.

As you stir, say:

*"I welcome money that supports me.
★ I welcome opportunities that meet me halfway. ★
I am ready to receive, keep, and grow."*

Take the first sip slowly.

Then choose one real-world action that helps your abundance find you.

Send the invoice. Post the link. Apply for the thing.

Ask for the sale.
